PICTURE-GUARD
Lasting Plastic Protection
for Your Favorite Photo
TO USE: *Read All Directions First*
1. Trim photo to size at least ¼ inch less than plastic on all sides.
2. Gently roll sheet back at arrows until paper backing loosens at corner. DO NOT CREASE.
3. Remove paper backing completely.
4. Center photo face down on plastic surface leaving ¼ inch or more border on all sides.
5. Sandwich photo between gummed sheet and other plastic sheet supplied.
6. Press sheets together tightly, smoothing out all bubbles and trim again as necessary.
DO NOT TRIM TOO CLOSE. ¼" MARGIN IS NEEDED TO MAINTAIN SEAL
